- Emergency medical coverage anywhere in the world
- International portability that allows our customers to have uninterrupted coverage while traveling, studying, or working out of their country of residence (certain conditions may apply)
- A Medical Service team that provides our members with professional support by phone 24 hours a day, 365 days a year
- Online services to allow access to policy documents, renewals, communications, and claims reimbursements through the internet

USUAL, CUSTOMARY, AND REASONABLE FEES

The insurance policy establishes that Usual, Customary and Reasonable (UCR) fees will be applied to calculate the reimbursement for services and treatment rendered in a specific country or region. UCR is the maximum amount Bupa will consider eligible for payment. This amount is determined based on a specific review of the prevailing charges for a particular service adjusted for a specific region or geographical area.

By encouraging direct payment and pre-authorization, we have the opportunity to negotiate medical fees to protect our members from incurring additional out-of-pocket fees and ensuring fair prices. UCR is one of the most important measures to control our finances while protecting our clients' interests.
